Action – what are you planning to do	Who does this action impact?	Impacts and how sustainability will be achieved?	Cost linked to the action
<i>Key indicator 1: increasing all staff's confidence, knowledge and skills in teaching PE and sport</i>			
Staff to have a progressive and broad P.E scheme to enable high quality P.E lessons to continue to be taught whilst also acting as a CPD tool for teachers.	Teaching staff Pupils	Staff continue to deliver high-quality P.E lessons in a progressive curriculum. Children continue to achieve well in P.E and progress is good.	Complete PE £150 at each school
Continue to identify areas where staff require CPD and address this.	Teaching staff Pupils	Staff are confident in a range of sporting areas. Staff feel able to ask for support where needed. Prostars PE lessons weekly.	
<i>Key Indicator 2: increasing engagement of all pupils in regular physical activity and sport</i>			
Increase daily physical activity for all pupils by introducing "Active Breaks" or "Brain Breaks" in every class.	Teaching staff Pupils	Improved focus and concentration, reduce dysregulation and negative behaviours, promote healthy lifestyles.	£500 in each school
Develop the EYFS area further so that active learning opportunities are maximised and pupils develop healthy lifestyles from an early age. Provide pupils with a love of active learning and outdoor learning (now and for the future).	EYFS pupils EYFS staff	The EYFS area provides a wide range of opportunities for active learning. The pupils in EYFS have developed healthy lifestyles habits that they will continue with for life.	£3000 at each school
Develop structured and active lunchtimes by training active play leaders to deliver structured games and activities, with a particular focus on the least active and disadvantaged pupils.	Active play leaders P.E lead Pupils	Children have a range of equipment which is replenished as needed available at playtimes and lunchtimes which encourages active play.	Play leaders £5062.17 (Ayl) £4880 (EB)

Increase equipment available further and replace any equipment that needs to be due to wear and tear at play and lunch times to encourage pupils to have active, happy playtimes to not only raise activity levels but also to improve mental health.		Pupils continue to be active to support their mental health and physical well-being. Active Play Leaders to facilitate and encourage active, happy playtimes.	Equipment £2000 (Ayl) £2000 (EB)
<i>Key indicator 3: raising the profile of PE and sport across the school, to support whole school improvement</i>			
Encourage pupils to come to school in a physically active way. Involve families with this so that they also see the importance of leading a healthy lifestyle. Hold a walk/bike/scoot to school week. Engage in Active Travel initiatives, including Bikeability.	Pupils Families Sustainability lead	Increase physical activity outside structured PE time. More pupils are walking to school which will increase their time active. Traffic pressures around the school site are eased. Children and families understand the importance of leading a healthy lifestyle and develop the habit of walking a short distance rather than driving.	£500
<i>Key indicator 4: offer a broader and more equal experience of a range of sports and physical activities to all pupils</i>			
Broaden the range of after school clubs across the school age range. Continue to look at additional clubs that could be offered which may appeal to different pupils. Continue to monitor club participation and prioritise those who are not attending clubs and those who are less active.	P.E lead Pupils	Introduce the sports offer during the clubs e.g. archery, fitness circuits.	£3000 (Ayl) £3000 (EB)
Organise taster days and experience workshops, including golf, climbing wall, cheerleading etc.	PE lead Pupils	Inspire pupils to try new sports and develop interests that continue outside school.	£1000 at each school.
